(14)

Sr.No.60676-J. p.5/Cs A.& F.D.

Resubmitted with ref. to A.S.(Shri S)'s note on p.7/Cs.

2. In accordance with the instructions given by the Dy.M.(A.& F.) on the application from Dr.Nargund at p.1/Cs.the report of the Collr.of Bijapur was called for in G.E.No.0/45551-J, dated 8-8-1953. From the Collr.of Bijapur's present report p.5/Cs it appears that the only ground for rejecting the request of the applicant is the objection from the Forest Deptt. that the land in question is situated in the heart of the forest and its grant would create awkward boundaries. The Collr.'s order of eviction was based on this objection. The applicants shifted to the land in question as their previous huts were situated in Malarions tracts. On this the Collr.reports that since the introduction of the Malaria Control Scheme the sanitation of the old village site has been improved. The Collr.of Bijapur has, however, not forwarded the relevant case pps. from the Forest Deptt. in this respect. Moreover, it seems desirable if the C.C.F.'s remarks are obtained in the matter as the applicants state that they will be put to heavy loss, if evicted.

3. In these circumstances stated above the draft endt. p.7/Cs put up earlier may issue.

16/11/53.

Before the application is rejected, the remarks of the C.C.F. may be called for

A. S.(Shri S.)

16/11/53

D.M.(A.& F.) 18/11

04/9/11

Sr. No. 24409 p. 11-12/c

A.&F.D./J (15)

Submitted for information.

2. The remarks of the CCF called for from the CCF in Govt. endst. No. O/60676-J, dated the 24th November, 1953, have not yet been received. It has been reminded for the same on the 15th January, 1954 (vide express letter at p. 9/c). The subject matter of the present application also being the same as that of Dr. Nargund's letter of 23.7.53 (at p. 1/c), no specific action seems necessary on it, at least at this stage. As regards the request made by the President, Taluka Congress Committee, Bagalkot to the Dy. M. (A.&F.) to visit the site personally, it may not considered necessary to visit the site at present and especially in the absence of the report of the CCF (Cf. vide Dy. M.'s note of 3/8/53 on p. 1/c). However, these papers may be submitted to the Dy. M. (A.&F.) for ~~information~~ orders in view of his note of 30.12.53 (on p. 11/c).

C.C.F may be expedited. It is not known from the Hqrs as to how much area is demanded for disforestation and grant for Gaothans.

25/1

27/1

(16) 3/N

Agre. and Forests Deptt.

Sr.No.55543. p 17/c p.7/c

Submitted with reference to Govt. endst. and Govt. letter, p.15/c dated the 24th November, 1953 and 1st February, 1954 respectively.

2. Please see the office note, dated the 16th November, 1953 at p.1/N. The Sub-D.F.O., Bagalkot and the Consr. of Forests, Southern Circle, recommend the grant of 13-15 As. Gs. (the area actually occupied) as the villagers have built semi-permanent structures. They further state that the villagers if evicted will be put to heavy loss. There are 245 heads of cattle in the village and the maximum area required for grazing is 367.05 acres; but the total area available for grazing is 333 acres and 7 gunthas. As such the Sub-D.F.O. states that the grant will not materially affect the grazing position.

p 19-21/c

3. The Chief Consr. of Forests on the other hand does not recommend the disforestation on the following grounds :--

(i) the grant will make the forest boundary irregular

a n d

(ii) as the sanitation of the old village site has improved and there is practically no malaria in the said area.

4. According to the orders issued in para. 2(i) of Govt. Resn., No.FDM 1054, dated the 8th July, 1954, there is a provision for grant of forest lands for extension of village gaothan. The Forest officials have not stated the approximate loss in case the villagers are evicted. The President, Taluka Congress Committee, Bagalkot, on behalf of the villagers

* Copy put up below

villagers has requested the Deputy Minister for Agre. and Forests to visit the site.

The case is submitted for orders.

20/7/54

R. Fresh.

A.S. (Shri M).

Secy.

D.M.(A&F).

M.(Forests).

A. & F.D.

Resubmitted.

2. Para. 2 (i) of the G.R., dated the 8th July '54 states that forest lands should be given for purposes of new geothans, or extending geothans ..... provided no non-forest area belonging to Govt., which would be equally suitable, is available. The C.C.F. may be asked to offer remarks on this. He may also be requested to state the approximate loss the villagers will have to bear in case they are evicted. The attended letter may issue on approval.

27/7/54

A.S. (Shri M).

Sr. No 5395 P31/C

5/N (18) A 21-12

These papers relate to the grant of forest land out of F.S.No. 129 of Malgi, tal Badami, distt. Bijapur to the villagers of the same village, who abandoned their houses and shifted to the other side of the village (which is F.S.No 129) in 1947-48 due to serious malaria trouble in that area and settled there un-authorisedly constructing semi-permanent structures. Subsequently they applied for the grant of the said land but the same was rejected by the Collr. of Bijapur on the grounds: i) the sanitation of the old village site has improved since the introduction of the Malaria Control Scheme and there is practically no malaria in the area. and ii) On the advice of the forest authorities who objected to the grant as the land is in the heart of the forest and its grant would create awkward boundaries. Thus being worried by the eviction order of the Collr. Dr. Nargund on behalf of the residents has requested Govt. to stop the eviction of the residents on the ground that they will undergo heavy loss, if evicted now.

P 1-2/C

2 The forest authorities whose remarks were called for in the matter differ on the question of the grant of the land to the villagers. The Sub D.F.O Bagalkot and the C.F. P 17/C S.C. recommend the grant of 13 - 15 acs. (the area actually occupied) for the following reasons:

P 3/C

i) The villagers have built semi-permanent structures and if evicted they will be put to heavy loss which is now reported P 31/C to be approximately 5 to 6 thousand of rupees

and ii) The grant of land will not materially affect the grazing position of the village.

3. The C.F. P 17/C on the other hand points out that as the sanitation of the old village site has improved and there is practically no malaria in the area, there is no necessity for a change in the village site. Further from the forest point of view he does not recommend the disforestation as the grant will make the forest boundary irregular.

4. In this connection, it may be stated that according to the latest policy of Govt. in respect of grant of forest land, there is a provision for grant of forest lands for extension of village gaothan. But in view of the C.F.'s objection and also the request of the President, Tal. Congress Committee, Bagalkot on behalf of the villagers to the Dy. Minister for Agre. and Forests to visit the site,

x GR FD M1054 dt. 8-7-54 copy put up

The case is submitted for orders.

(19)

Both the Coll. & the CCF are against the grant of the forest land. For the reasons mentioned at 'X' on p.6/c and 'Y' on p.17/c, their view may be accepted.

A.S. (Shri M)

This is a borderline case where the claims of the local villagers conflict with the wider deptal interests. I would be inclined to let the villagers remain where they are and not insist on their eviction to let the forests have a regular boundary. For orders

D.M. (A&F)

13.3.55

The villagers have built on the site on the assurances given by revenue officers long back. In fact the village is said to have been inaugurated by the Hon'ble Pandit in the sacred memory of Bapuji & they have named it as "Mohan Pur" in 1949. Anyway in view of para 2 above the land measuring about 13-15 may be diverted for the purposes of extension of Harijan.

AGRICULTURE & FORESTS DEPARTMENT
Date 4 AUG 1950
FILE No.
SERIAL No. J To 45551
OFFICE OF THE DY. MINISTER FOR AGRICULTURE & FOR SECRETARIAT COUNCIL HALL, BOMBAY

From

Dr. L.G. Nargund. L.C.P.S. (Bom)
Kerur. Post Kerur. Taluka Badami. Dist.Bijapur.

The Hon. Deputy Minister for Forest
To the Government of Bombay.

Sir,

On behalf of the some citizens of village Malgi in Badami Taluka, I beg to bring to the notice of your honour the following few points for kind and favourable consideration.

That the village Malgi is situated in a low level surrounded by the hilly tracts and nalas; so it was one of the highly malarious village before the spray of D.D.T.

Especially in the year 1946-47 and 1947-48 the malaria took a severe epidemic form and the villagers of Malgi were at a loss to know what to do. At last in the beginning of the year 1948 the villagers were advised to shift the village site on a higher level. As they were very much troubled, they eagerly selected a site in R. S. No. 129 which was a Revenue Forest land.

Collector Bijapur for early report in the first instance
3/8

In the meanwhile the tragic assassination of Mahatmaji took place. Then within a short period the villagers decided to build a new village on this new site and name it as "Mohan-pur" in memory of Mahatmaji.

They requested the Mamaltadar of Badami to perform the opening ceremony by his own hands and further try for the sanction of " Gavathana" for building up of this village. Then the Mamaltadar of Badamo who was so kind enough to agree with the requests of the villagers; and the opening ceremony was done in the last week of February 1948 and named it as "Mohanpur". Soon after the opening, those who were very much suffering and also whose fields were nearby to Mohanpur began to shift to this new site and started to live in a temporary huts. But in the year 1949 there came a violent storm of wind and rain causing a serious damage. Under the pressure of circumstances some of them got their houses built with stones and mud. The correspondence for Gawathana was still going on.

P.T.O.

To the greatest surprise and misfortune of the shifted villagers, a refusal reply was recently received by the Collector in which it was stated that Forest Department had raised some objections for the sanction.

I wish to inform your Honour that the Prant Officers and Mamaltadars have actually visited the new site. They not only have strongly recommended for the sanction but also appreciated the self-help of those who have come to this new village.

Therefore, I most Humbly request your Honour to do the needful in the matter and help to mention the memory of Mahatma the " Mohanpur". I feel more than certain that if your honour visits the village, the villagers will get more benefits than expected.

Thanking you in advance.

Yours faithfully

(L.G. Nargund)

Sub : Shifting of village site of Malgi ~~Tanda~~ Taluka Badami.

.....

Ref : Govt. letter No. 45551-J dated 8-8-53 addressed to ~~Sub~~ L.G. Nargund and Copy endorsed to this office.

.....

Some of the residents of Malgi village in Badami Taluka applied in the year 1949 for permission to construct their houses in the Forest area out of F.S.No. 129 of Malgi. The grounds for applying for a change in the village site was that the old site was highly malarious.

The question being referred to the forest authorities, the Sub-Divisional Forest Officer was against the disafforestation of the area on the ground that it is in the heart of the forest and its grant would create awkward boundaries. The application was therefore rejected.

But 40 acres of land out of this forest S.No. 129 had already been leased out to Dr. Nargund (the applicant) on Eksali lease under "Grow more Food Campaign". The lease was subsequently reduced to 24 acres as it was found that Dr. Nargund had brought this much area under cultivation.

In the meanwhile some of the original applicants for residential purpose, shifted their residences to this forest area and constructed their huts un-authorisedly and a few of them had even constructed substantial buildings. All of them happen to be either labourers or tenants of Dr. Nargund.

Since the introduction of the Malaria Control Measures by the Health Department it is reported that the sanitation of the old village site is improved and that there is practically no malaria in the said area.

In consideration of these facts and the persistant objection of the forest authorities to disafforest the area, the Collector had ordered eviction of these squatters and the present application obviously seeks redress against the order of the Collector.

There --

There are no further facts which would justify cancellation of the Collector's order mentioned above. The only ground which Dr. Nargund has put forth in the present application is that the owners of the houses will be put to heavy loss if they are evicted. But this by itself cannot justify a grant against the settled policy of Government that there should be no grant from the forest areas which are likely to create awkward -- boundaries.

The original application of Dr. Nargund received under Government letter quoted above is enclosed.

To
Shri K. F. Patil,
Dy. M.M. (Agri & Forests)

We the undersigned Rayats of village Malagi, beg to lay the following few lines before your honour.

We were residing in the village Malagi. As the malaria reached the extent in that village in the year 1946-47, we ~~left~~ vacated that village in the year 1948 and are living in the government waste land, S.No. 129, which is situated one mile away from Malagi and its level is high. We determined to name that place as 'Mohanpur' in the memory of Mahatma Gandhi, the father of Nation, after constructing our houses there.

We informed this, to Dr. Nargund, who is the Doctor of Kerur, Tal: Badami, Dist: Bijapur, accordingly. The foundation stone of the village was laid down by Shri. Nerle, the former Mamalatdar, with the help of Dr. Nargund, in the year 1948, in one part of the waste land S.No. 129. From that time we are requesting Govt. to grant us a Gaothana to construct a new village. First of all we started constructing small huts to live in. We were to erect the buildings there, after the grant of gaothana. But in the year 1949 our huts were destroyed by big storm and heavy rains. We became helpless. Therefore, we were afraid of all these dangers and erected the buildings, there in the year 1949 thinking that we would not be objected to construct the buildings by the Govt. In the year 1953 Govt. has issued orders, stating that the gaothana cannot be granted and

that all the existing buildings should be demolished. (35)

Now there are 11 buildings, one Hanuman Temple and some huts. ~~And also~~ we have dug one ~~tat~~ tank for the public. All the Revenue officers recommended, all these things. But the Forest department is objecting to this.

~~He~~ Therefore we request you honour, to visit this place once and to consider ~~favourably~~ ~~our applic~~ this matter favourably.

Dated the 18th Dec. 1953.

Signatures of the villagers

Kindly come personally once here and see the site and you will come to know the situation.

Subject: Shifting of village site of Malgi Taluka Badami.

No.17/D/ 2022 of 1954-55.
Poona No.1, 6 Sept.,1954.

Submitted to Government in the Agriculture and Forests Department, Bombay with reference to their endorsement No.O/60676-J of 24-11-53 and O/74409-J of 1-2-54.

AGRICULTURE & FORESTS DEPARTMENT
Date 10 SEP 1954
FILE No. O
SERIAL No. J 55543

From the Sub-Divisional Forest Officer, Bagalkot's letter No.C/132 of 18-5-54 it will be seen that the area shown in the sketch at page 21 of File No.I is incorrect. The Sub-Divisional Forest Officer has prepared a fresh sketch and has personally verified the area with the sketch. However the site of the proposed gaothan as shown therein will still make the boundary irregular. As pointed out by the Collector in his letter No. FAD.SR.653 of 23-10-53, the sanitation of the old village site is improved and there is practically no malaria in the said area. There is therefore no necessity for a change in the village site.

Under the circumstances the grant of area of 15 acres for gaothan purposes on disforestation, cannot be recommended.

Case papers in two files are submitted herewith.

(J.A. Singh)
Chief Conservator of Forests,
State of Bombay.

Below No.C/132 of 18.5.54 from the Sub-Divisional Forest Officer, Bagalkot, this office No.22/315/2651 of 28.5.54 and No.C/232 of 9.6.54 from the Sub-Divisional Forest Officer, Bagalkot.

Subject: Shifting of village site of Malgi Taluka Badami.

REGISTERED.

No.22/315/ 713 of 1954-55.
Belgaum, the 22nd June, 1954.

Forwarded with compliments to the Secretary to Government, Agriculture and Forests Department, Bombay, with reference to his No.0/60676-J of 24.11.53 and expeditor dated 1.2.1954.

2. Under the circumstances now stated by the Sub-Divisional Forest Officer, Bagalkot, the area of 15 acres may be disforested out of pasture Survey Number 129 of Malgi for gaonthan purposes.

3. The pertinent case (pages 1 to 225) is also sent herewith.

To

The Conservator of Forests,
Southern Circle, Belgaum.

No.C/ 132 of1954-55. Bagalkot,

Subject:-Shifting of village site of Malgi, Taluka Badami.

Reference:-Your No.22/315/10527 dated 4-12-1953.

S.No.129 of Malgi village (Badami Taluka) is a pasture reserve in charge of the R.D. The area required by the villagers adjoins Malki - S.Nos.133,134,& 158. The track to Kaladgi passes along one side of the area applied for. If given out,it does not honey-comb but makes the - boundary irregular to some extent. Please vide sketch. The sketch at page 21 of the correspondence ending with Prant Officer,Bagalkot Division's No.FAD-162 of 4-3-1954 is reported to be wrong by the R.F.O., Badami. There are 245 cattle in the village and the maximum area required for grazing is 367.5 acres but total area available is 333 acres - 7 gunthas and as such, it will not materially affect the grazing position,and it will be above the minimum requirement. From the original - application of Dr.L.G.Nargund,it may be presumed that the villagers - shifted to this place with the knowledge of R.D.(Mamlatdar) and it is reported that they have already constructed some semi-permanent structures and as such,it may be hard on the people if it is decided to - evict them now.

2. Considering all the above circumstances,I feel that there should be no objection to give out area measuring 13 to 15 acres(area - actually occupied) for the purpose. The sketch of the area which may be granted to the applicants is attached herewith.

3. It may be noted that the area given to Dr.L.G.Nargund and the area applied for by the villagers are not one and the same.

4. Accompaniments pages 1 to 225 received under No.FAD-162 of 4-3-54 from the Prant Officer,Bagalkot Dn.is sent herewith.

No. FAD.3R.653
Collector's Office,
Bijapur, 24-8-1955.

From

Shri H.T.Sadhwani, IAS.,
Collector of Bijapur.

AGRICULTURE & FOREST DEPT.
Date of Receipt
27 AUG 1955
File No. FLD 1254
Serial No. E 10.3455

To

The Secretary to Government,
A and F.D. Bombay.

Subject :- Shifting of Village Site of Malgi, Taluka Badami.

Reference: Govt. A and F.D. Letter No. FLD.1254/31592- dated 11th May, 1955.

Sir,

The usual terms and conditions on which grants of land for purposes of new or extending gaonthanas are made are as stated below :-

1) The grantee should pay occupancy price on the building plot (which is equal to the present market value).

2) The grantee should pay N.A.A. annually at the rates current in the village.

3) The grantee should construct building over the site within two years from the date of taking over possession of the land site.

4) The site (and the construction thereon) should not be leased, mortgaged, sold or otherwise encumbered without the previous permission of the Collector.

5) The grantee should use the site (and the building thereon) for his own purposes of residential houses and it should not be leased for commercial or industrial purposes without the previous permission of the Collector.

6) The grantee should abide by the conditions, if any, to be imposed by the Collector regarding prevention of ribbon development.

7) The grantee should execute a kabulayat in form 'H' (Bombay Land Revenue Rules) within two months from the date of the grant.

8) The grantx is liable to be cancelled and the site (with construction if any) resumed without payment of compensation in case any of the conditions are breached.

The entire land will have to be laid into suitable plots regard being had to the rules of ribbon development building regulations and the local conditions of the village before they are disposed xx of to the individuals.

Yours faithfully,

Collector, Bijapur.
